College field of study
must be animal related

DIRECTIONS

Please submit the following information by email to info@hoponhome.org

Name, Age , current High school, graduation date, accepted accredited college you will attend and major, anticipated college graduation date.

EXPERIENCE

How long have you volunteered at Hop on Home Rabbit Sanctuary?

How many hours a week do you volunteer at Hop on Home?

Have you ever implemented a program at Hop on Home that has been used for the bunnies or for the community?

SKILLS

What animal related skills do you possess and how do you plan to use them in the future?

What extracurricular activities do you participate in that is animal related.

AWARDS

If you've received any awards, mention them here.

Write an essay on how Hop on Home has helped you focus on what your field of study is/will be and how after graduation you will use that field of study to help the community. There is not a minimum or maximum of words. Please be clear and direct in your essay response.
